

# Lake Agassiz Pacers Meeting

May 5, 2009

Members present: Patrick & Theresa Gross, Monica Fedora, Dale Summers, Jon Kitzman, Craig and Brenda Kerbaugh.

Treasures report:

Craig reported that there is around \$9.000 in the account.

Old Business:

St. Patrick Race was discussed. Craig said, after all the financial money comes in the race should almost break even.

New Business:

President Monica called the meeting to order at 5:33 pm on May 5, 2009.

Monica mentioned that the news letter is due next week. Monica will buy some forever stamps since the postage goes up on May 11.

LAP will not purchase the season long insurance for \$950.00 but instead insurance will be purchased from USATF per running event. The insurance will have to be bought 1- 2 months in advance before a running event. A third party can be covered by the insurance like the Police or Park District. All volunteers need to sign in to be covered by the insurance. Runners, volunteers and spectators would be covered by this insurance. Monica said, she would file the paper work since it needs to be kept for 5 years.

Pat is to check on dates available and prices for RR run on Oct. 31 and also if there is anything available for the Lindenwood 10K race. The run will not be held at its usual time in May or early June because of the Red River flooding bike paths at Lindenwood. Later dates were considered if we can find a place to hold the event.

Linda Fedora would donate sweaters for prizes for LAP races. Monica mentioned that some of the left over caps, socks and other clothing could be given for door prizes or entry gifts.

Dale mentioned that LAP equipment would be rented out for a number of races over the summer and fall. LAP needs to finalize dates for races to make sure race equipment is available.

Meeting adjourned.
